

Credit Card Policy

The Centerville Music Boosters accept all major credit cards. You may utilize this feature to make any payments towards your student's account. Please be aware that we must charge a fee for this service. We utilize the Square Payment System. Please contact a CMB officer to set up the payment arrangement.

Fees: For every dollar up to the next \$100, there will be a \$3 fee, regardless of the amount charged. By utilizing this feature, you understand that the added fee will be charged to your account at the time of purchase and that the fee will be retained by the boosters for a convenience fee.

Ex.

\$1-\$99 - Add \$3

\$100-\$199 - Add \$6

\$200-\$299 - Add \$9

\$300-\$399 - Add \$12

You will confirm the amount of each charge before finalizing. If you have used square in the past, a receipt will be automatically sent to you in the method you set up. If you have not used the system before, we will be able to set up a method to send you a receipt.
